

## OUR REALITY

Our income does not currently match our ordinary expenditure.

The Good Stewards Project – the costs of repairs and modifications to the buildings in order for them to be fully licensed by the Câmara – is complex and expensive.

## OUR HOPE

Together we find ways  
*within our means*  
to meet the need

I am confident of this, that the one who began a good work among us will bring it to completion

## YOU CAN HELP BY

Switching from placing cash in the collection to a regular direct debit.

*This helps our planning!*

Switching from regular use of donor box or the card machines in church to direct debit

*This saves money in fees!*

Consider a review of your giving if you have not done so for a while

*It's easy to forget!*

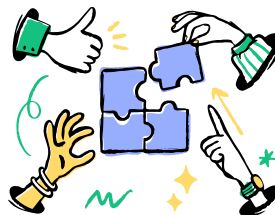

Help us reclaim tax on your gift

*At no extra cost to you!*

The Treasurer can help you with the above.

## BEING GOOD STEWARDS

OUR VISION  
OUR REALITY  
OUR HOPE

## How do we receive our income?

① The Chaplaincy is self-funded through the generosity of members.

② It is blessed with resources (from the sale of land in Estrela) which are invested to give income for now and for the future.

③ We currently receive additional funds which cover 75% of the costs of our curate (coming to an end in 2027).

## Our mission

Welcome All  
Build Community  
Grow Disciples  
Serve Others

## Our goal

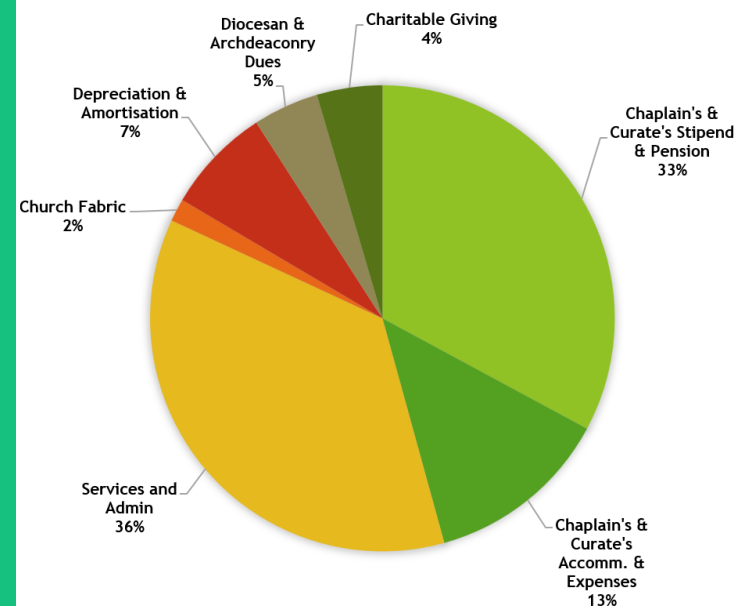

To repair and properly license our buildings creating flexible spaces as a sure foundation for the church's mission. now and in the future.

## Our Means

The prayerful use of •Time •Resources  
•Relationships •Gifts  
for God's glory, for our mission,  
and for the common good

## How do we spend our income?

① We fund the ministry of resident chaplains to serve the church and community.

② We repair and maintain the buildings and cover legal, administrative and diocesan fees.

③ We tithe 10% of previous year's collections to support local, national and international charities and members in need
